

# Magnus is your Chemical Partner...

## WHO?

Magnus Chemical is now one of the fastest growing chemical providers in the country through an extensive distributor network of service companies, the IndEx Group. We set out in 2012, with several years of development, to break the barriers and create a simple and effective chemical offering.

## WHY?

*“The Power of Clean”*

- **High Quality**
- **Concentrated** –*“We ship Chemical, NOT WATER”* Almost all of our products are concentrated which is effective in the battle to save on freight.
- **Great Pricing**– As an IndEx Member you receive special pricing well below market value, allowing you to make a great margin on your sell price.
- **Recurring Revenue**– Chemicals are a consumable that literally go down the drain and need replacing on a daily, weekly and monthly bases. Have you ever been into a building that did not have cleaning chemicals? No... **Why shouldn't they be purchasing their chemicals from you?**

## HOW? - Need help getting started?
